December 2024

Dear Parents/ Guardian,

We are beginning the scheduling process for the 2025-2026 school year. During the month of December, the School Counseling Department will be meeting with each student to discuss and enter course requests for next year.

After counselors meet with students, review teacher recommendations, and review semester 1 grades, your child's course requests will be made available for you to review in SIS starting on February 14, 2025. As always, if you have questions about your child's course requests or need to make a change, please contact your child's counselor at 570-253-2046.

If you or your child have problems accessing you SIS portal account, please contact the system administrator, Scott Miller @ smiller@whsdk12.com.

Additionally, you can view the full list, description, and prerequisites of the courses being offered on the Honesdale High School main website, at www.whsdk12.com, under tab Curriculum Guide 2025-2026.

Here are some scheduling guidelines to consider when helping you child make their course selections:
