Gifted Students

The Wayne Highlands School District provides services for students who are identified as being intellectually gifted and in need of specially designed instruction. The District has developed procedures to identify such students and provide appropriate educational programs for them. A referral for a gifted multidisciplinary evaluation may be made by a school personnel working with the student or by the student's parent/guardian. If a parent suspects his/her child may be intellectually gifted and wants to request a gifted multidisciplinary evaluation, the parent may do so at any time. Such a request should be made to the guidance counselor at your school or the Director of Special Education who may be reached at 570-253-3402.

Early Intervention

Early Intervention Classes for children ages 3-5 are operated through the Wayne County Consortium. These classes run for 2 ½ hours per day, four days per week. The purpose of the class is to assist students with developmental delays. It provides them with developmentally appropriate activities to strengthen their skills. Eligibility for this program is based upon a multidisciplinary evaluation. For further information on this program, please contact the Early Intervention Coordinator at 570-937-3710.

THE PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA)

The Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. Section 123h, requires Wayne Highlands School District to notify you and obtain consent or allow you to opt your child out of participating in certain school activities. Parents wishing to have their

student's name eliminated from any publications (newspaper, internet postings, website, etc.) should notify HHS principal, in writing. This must be done on a yearly basis.

Access to WHSD Board Policies may be obtained by contacting WHSD Office (570-253-4661).

WHSD 504 POLICY

The Wayne Highlands Board of Administration declares it to be the policy of Wayne Highlands School District to ensure that all district programs and practices are free from discrimination from students with disabilities. The Board recognizes its responsibility to provide academic and nonacademic services and programs equally to students with and without disabilities.

The 504 process is a potential avenue by which students with disabilities may successfully access both academic and nonacademic services to the fullest degree. To explore this possibility, parents or guardians may contact the school guidance counselor or Section 504 Coordinator to further investigate feasibility. Full Board Policy (Policy #103.1) with regard to Section 504 can be accessed at the school building or District Office.

The District Section 504 coordinator is Mr. Morgan in WHSD office.

ENROLLMENT OR DISENROLLMENT

Enrollment or disenrollment to WHSD requires the parent/guardian to contact the guidance office and complete registration requirements. Administrators, guidance counselors, the WHVC Coordinator and families work in collaboration to properly place students so as to receive appropriate educational services.

EMERGENCY SCHOOL CLOSING

Should weather conditions make the unexpected closing of the school necessary, radio stations WPEL, WCDL, WARM, WJFF, WSUL, WYNN, WDNH, Magic 93 and WEJL will be notified; as well as television stations WBRE, WYOU, WNEP, and Blue Ridge Channel 13. In addition, notification will be made via the Wayne Highlands School District website at www.whsdk12.com Rapid communications must be maintained; therefore, you are asked to tune in to the named stations and not to call the homes of faculty or administration or the school. Parents may sign up to receive email or text message notifications through the Wayne Highlands School District website at www.whsdk12.com.

ATTENDANCE

Wayne Highlands School District has always and will continue to promote regular school attendance because research is definitive that it plays a large part in your child's success now and in the future. Good school attendance is IMPORTANT. In an effort to promote good school attendance, the Wayne Highlands School District has established that in order to receive full academic credit and to be in good standing, no student shall miss more than **15 days** of school per academic year.

WHVC Student attendance will be earned by the percentage of work completed weekly and by attending wellness checks weekly. Attendance will be recorded weekly.

In order to meet the Pennsylvania Department of Education's Act 20 of 2026, mandate, requiring online students to engage in a weekly Wellness Check, the below weekly requirements must be met:

For each week school is in session for more than 3 consecutive days, a WHVC student must attend homeroom at least once during the week, and engage with their homeroom teacher with cameras and microphones turned on, in order to **earn 2 days of attendance for that week**. Any student who does not have does not meet this requirement with their homeroom teacher at least once per week will **earn a permanent 2 absences**.

Attending the scheduled bi-weekly ILP meetings can also count to meet the Wellness Check requirement, and the student will **earn 2 days of attendance for that week**.

If a student cannot complete the Wellness Check in homeroom or ILP meeting during the scheduled homeroom time, it is their responsibility to reschedule with their homeroom teacher before 3 pm on Friday, or they will **earn 2 permanent absences for that week**.

Work Completion Attendance Calculations:

90%> of completed school work = 3 days of attendance

67% - 89% of completed school work = 2 days of attendance

33% - 66% of completed school work = 1 day of attendance

<32% of schoolwork completed = 0 days of attendance

Attendance will be shared with all schools of attendance on Monday morning for the previous week. The official student attendance record can be found in the Parent Portal of your SIS account.

Each day homeroom is attended, 2% is added to the total of work completed

ABSENCE

Irregularity in attendance is the most frequent cause of school failure. One day's absence costs two days of schoolwork; the day of the absence and lack of preparation for the day of return. Students who plan to participate in after-school activities including rehearsals and practice sessions must be present in school. Students who participate in an after-school activity (i.e. sports, plays, etc.) are expected to be on time for school the next day. Any tardiness or absence will be unexcused and may make the student ineligible for future participation in that activity. Also, any student who is absent without being medically excused from school shall not be permitted to attend any after school activity.

Sickness of the student or some other urgent necessity making attendance or punctuality impossible shall be the only legitimate excuse for absence or tardiness.

Upon your return to school after an absence, you are to bring a **written excuse** from your parent or guardian. This written excuse must state the **dates of the absence, reason for the absence, and bear the signature of the parent or guardian**. This excuse must be presented to the WHVC Coordinator immediately upon return. If no excuse is received within three (3) school days, the WHVC Coordinator will report the student's name to the attendance office. Thereafter, the absences will be marked unexcused/illegal. Parents/Guardians of students who are absent may be called daily. If you are absent your parent/guardian should call the school to report your absence.

ALL ABSENCES ARE EITHER EXCUSED OR UNEXCUSED

If the reason for the absence is satisfactory, a student is entitled to make up all work missed. It is the student's responsibility to make arrangements with their teachers for makeup work.

FAMILY EDUCATIONAL TRIPS

The Pennsylvania School Code lists the following as reasons for excused absences from school: Illness, Quarantine, Death in the Immediate Family, and Impassable Roads.

Although vacations are not approved absences according to the school code, the Wayne Highlands School District realizes that parents/guardians must occasionally schedule a vacation during school time. Exceptions will be made subject to the following conditions:

1. Prior approval of the school administration.

2. All absences are unexcused and count towards the fifteen (15) day limit. No vacations will be approved if it will cause the student to miss more than the fifteen (15) days of school.

Process for Requesting Vacation

1. Parent/Guardian letter or request should be sent to the WHVC Coordinator with dates of requested vacation.
2. Office prepares a letter to the parent/guardian stating the dates and destination of the requested vacation. This letter includes the number of days the vacation will take and the number of days the student has already been absent from school. The letter includes the school's attendance policy.
3. The letter with the vacation request form is sent to the student for parent/guardian signature.
4. When the form is signed, the student brings the form to the WHVC Coordinator and is responsible for obtaining signatures from all his/her administrator.
5. The completed form is returned to the office and absences are recorded accordingly.

ATTENDANCE AND SATISFACTORY COURSE COMPLETION

Regular attendance in classes is of utmost importance regarding satisfactory course completion and the awarding of credit for a particular subject. Successful completion of tests does not indicate that a student has mastered a particular course. Instructors' lectures, student participation and successful completion of homework/assignments are factors that determine satisfactory course completion and credit attainment. Excessive absenteeism from class and can consequently result in credit not being awarded for a particular course(s).

The following is a brief summary of the attendance policy currently in effect regarding absenteeism and course completion:

1. Upon surpassing 15 days of absence, the parents or guardians will be notified that credits will be withheld in all areas. Students may attend Summer School to rectify attendance violations and gain credit for courses.
2. Summer School may be used by all students to retain credits lost as the result of excessive absence throughout the entire academic year. Please review Summer School guidelines included in Student Handbook.

3. A student who enrolls for less than a full school year (less than 180 days) will have a prorated limit of days missed to retain credits. (Example: A student who enrolls for one semester may miss no more than 7.5 days to earn course credits.)

WITHDRAWALS

There are four common reasons for withdrawal of which a student should be aware:

1. Transferring to another school.
2. Moving from the school district.
3. Discontinuing school after having been issued a General Employment Certificate (at least 16 years of age with parental signature and confirmation of 35 hours per week employment).
4. Withdrawing after passing attendance requirements (at 17 years of age with parent signature).
5. Withdrawing after passing attendance requirements (at 18 years of age).

It is necessary to inform the WHVC Coordinator, and in turn the school office, of withdrawal. Directions for withdrawal will then be outlined.

It will also be necessary to arrange an interview with the administration and the guidance department before the withdrawal becomes effective.

All financial obligations must be satisfied and all school materials returned.

WORKING PAPERS

Working papers are issued in general to students between the ages of fourteen and eighteen years. These are for summer or after-school employment.

To procure these papers, a student must contact the high school main office between 8:10 AM and 2:30 PM. *[PREFERABLY IN THE AFTERNOON]*.

DISCIPLINE POLICY

It is our aim to develop a kind of discipline that will give youth an opportunity to participate in a democratic environment and yet be able to assert a certain amount of self-control. We classify this as self-discipline. However, we all know that some students are unable to develop and assert self or internal discipline; therefore, a method of external discipline must be enforced.

The Student Discipline Code is found in its entirety in this handbook and should be read in detail by each student. Please refer to the Wayne Highlands School Disciplinary Code also found in this handbook.

CARE OF SCHOOL PROPERTY

Students are responsible for the proper care of all books, supplies and furniture supplied by the school. Students who wantonly disfigure property, break windows, or do other damage will pay the cost to repair or replace the item, in addition to disciplinary action. Students responsible for accidental damage must also pay for repairs and/or replacement costs.

LOST AND FOUND

Lost articles are reported and turned in to the main office lost & found.

TELEPHONES

Office phones may only be used in case of emergency during the school day with a written pass and permission from office personnel.

DISTRIBUTION OF MATERIALS BY STUDENTS AND STUDENT EXPRESSION

Materials must be regulated as part of the district's educational program. The distribution of any materials must be submitted to the building principal for approval one day in advance of the distribution.

STUDENT PUBLICATIONS

Student publications are under the direction and supervision of HHS faculty. HHS has the right to deny any student work in school sponsored publications.

STUDENT FEES

Fees associated with elective courses or clubs, summer school registration, destruction of school property, etc. must be satisfied before leaving WHVC by withdrawal or graduation.

INSURANCE

At the beginning of each school year, student accident insurance is offered to every student for purchase. This insurance is voluntary, not mandatory; but is highly recommended to cover students in the event of accidents or injuries in school or as part of school sponsored events.

Students participating in athletic program activities are covered by school insurance.

All insurance claims for athletic injuries must be made through the school nurse. Athletic insurance is a co-pay plan with specific limits.

MEDICAL AID / HEALTH SERVICES

The following are the mandated immunizations required by the Pennsylvania Department of Health for school attendance:

4 doses of tetanus	4 doses of diphtheria	4 doses acellular pertussis
3-4 doses of polio	2 doses of measles	2 doses of mumps
2 doses rubella (German Measles)		
3 doses of hepatitis B 2 doses of varicella (chickenpox) vaccine or history of disease		
1 dose MCV and /or Menactra (Grades 9-11)		
2 doses MCV and/or Menactra (Grade 12)		

The following are state mandated health services and administered by the school nurse unless otherwise notified by a parent:

Vision Screening	Grades 9, 10, 11, 12
Hearing Screening	Grade 11 and new entrants
Physical Exam	Grade 11 and new entrants
Heights, Weights & B.M.I. (Body Mass Index)	Grades 9, 10, 11, 12

Private exams and the above screenings are encouraged to provide for continuity in the medical care of students. Report forms (i.e. physical exams, medication/inhalers/Epi-Pens) can be found at www.whsdk12.com. Click on WHSD Wellness Website, then on Nurses Notes.

Medication administration (prescription & nonprescription) is with the written permission of a family physician and the request of the parent/guardian. Students are NOT allowed to have medication of any kind in their possession during the school day, unless predetermined by school policy. Parents are requested to transport medication to and from school.

Communicable/infectious diseases need to be reported to the school nurse, as some require exclusions from school and/or reporting to the Department of Health. School policy dictates action.

Food allergies should be reported to the school nurse upon initial school admission or as they arise. Life threatening severe allergies requires documentation from the student's physician and parents. School emergency care plans will be created in conjunction with parent and physician's requests.

If a student becomes ill, he/she must get permission from his/her teacher to report to the nurse. If the nurse, in her professional judgment, decides a student should go home, she will make the necessary arrangements. Students should not contact someone to

come and pick him or her up unless they have been formally dismissed by a school official (i.e. nurse, principal, etc.) Such is a violation and will be disciplined accordingly.

In the event of an emergency, an attempt is always made to contact the family. If unavailable, the school will proceed with the necessary emergency care, including contacting a physician and/or 911 services and releasing information to the appropriate personnel. Emergency care authority may either be exercised locally or when the student is away on a school-sponsored event. Parents will accept responsibility for all expenses incurred.

CONCUSSION MANAGEMENT/SUDDEN CARDIAC ARREST (SCA) TRAINING

All coaches are required to be trained annually in Concussion Management and SCA. Students suffering from a concussion should inform the school nurse, guidance counselor, coach, and athletic trainer (if involved in sports) so the school can work in collaboration with the student and his/her doctor to receive adjusted educational services and to enforce the practice/return to play protocol. HHS is equipped with multiple AED devices for use during SCA emergencies. Students exhibiting signs of SCA should report immediately to the nurse or athletic trainer.

STUDENT SERVICES

ESL/BILINGUAL PROGRAM

The WHSD provides an appropriate planned instructional program for identified students whose dominant language is not English. Students are identified by the use of the Home Language Survey.

Students shall have access to and should be encouraged to participate in all academic and extracurricular activities available in the district. Accommodations are made through Wayne Highlands School District's established ESL Program or through the WHVC.

STUDENT ASSISTANCE PROGRAM

Everyone wants to succeed even though each of us defines success differently. Many pressures can delay or prevent us from reaching our goals. Sometimes when we try to deal with these pressures we can become confused, depressed, angry, or disappointed with ourselves. It's almost as if we don't have control of our lives. If your problems are

getting too much for you to handle yourself, the Student Assistance Program is here to help you

WHO IS THE STUDENT AT RISK?

Whenever students are having more problems than they can handle, we call them “students at risk.” “At risk” means that a student may begin to look for unsafe or unhealthy ways to deal with these problems.

WHAT KIND OF PROBLEMS CAN THE PROGRAM HELP ME WITH?

The members of the SAFE Team have been specially trained to help or refer students to others who can help with the following problems:

- | | |
|--|---------------------------|
| *Self Esteem (How I feel about me) | *Problem Solving |
| *Alcohol or other drug abuse or dependency | *Depression |
| *Stress | *Pregnancy |
| *Child Abuse | *Sexual Assault |
| *Suicide | *Dating Violence or Abuse |
| *Family Problems | *Bullying |

CHILD ABUSE AWARENESS

WHSD employees complete required training in the identification of and reporting of suspected child abuse. The district responds by contacting Childline and local agencies to create a collaboration of services for a victim. If you suspect a child is a victim of child abuse, you may call Childline at 1-800-932-0313.

SUICIDE AWARENESS

The Wayne Highlands School District recognizes the early identification and referral to professional help of people with suicidal ideation. The faculty and staff have been trained to identify the warning signs of people at risk to themselves and/or others and to forward those concerns to building guidance counselors and the district crisis counselor who immediately interviews the student. Following this, the crisis counselor contacts the parent or guardian where permission is secured to have the student evaluated by local mental health professionals. (Northeastern Human Services [570-253-0321](tel:570-253-0321) ~ 24/7). The administrators, counselors, and faculty work closely with the student and parents/guardians and the mental health provider to minimize stress for transitioning the student back to school. Returning students are supported with scheduled visits with the district crisis counselor.

ADOLESCENT RELATIONSHIP ABUSE

WHVC is committed to preventing Adolescent Relationship Abuse (ARA) by promoting healthy relationships, identifying relationship abuse and intervening using a safe, student centered approach. WHVC will use the following strategies and techniques to create a climate that encourages and sustains respectful interpersonal relationships, healthy youth development, and a feeling of safety.

- Regard the safety of victims as PRIORITY
- Respond and refer appropriately for disclosures of ARA
- Provide materials and health services that promote healthy relationships
- Reported incidents in school will be investigated. Students will be referred to the appropriate agencies, which may include law enforcement.

Information received in confidence from a student may be revealed to the student's parent/guardian, a building principal or other appropriate authority when the student is being hurt by someone, planning on hurting themselves, or planning on hurting someone else.

COUNSELING

Counseling services offered to students may be divided into three domains: Academic, Career, and Personal/Social Development. Academic counseling assists the students in the scheduling of appropriate high school subjects and in the making of plans for further education. Career counseling includes: assistance in choosing a field or cluster of occupations as possible choices for future jobs; learning about the requirements, duties and offerings of these job fields through orientation and guidance classes; testing and explanations of the test results to students and parents; and conferencing through individual discussions about future high school courses, post high school training and jobs.

Parents may confer with the counselors upon appointment.

SCHOLARSHIP OFFERINGS

Honesdale High School posts local and national scholarship opportunities for seniors on the WHSD website under the Guidance tab. Seniors are responsible to check all of the postings and follow directions exactly when completing and submitting applications. Some applications are completed on-line and others require students to secure a hard copy of the application and submit to the scholarship coordinator. The Wayne Highlands

Community is very supportive of our graduating seniors, and we strongly encourage seniors to continually check the website for great opportunities. Students may also sign up for a cell phone app. REMIND. Students will receive notification as scholarships are posted on the local level. There is a fee for REMIND if a student does not have an unlimited cell phone texting option. Students may opt to receive an email free of charge for notifications.

NCAA

Division I or Division II college-bound student-athletes are encouraged to complete the registration process at eligibilitycenter.org at the beginning of their sophomore year (on or after July 1st of that year). Students should request that an official high school transcript be sent at the end of the student's sixth semester (junior year) and eighth semester (graduation from high school). For more resources regarding the NCAA or eligibility, visit eligibilitycenter.org or see your school counselor at Honesdale High School.

TRANSCRIPTS

A transcript is a record of your child's school credits, grades, school activities, and testing scores. SAT and ACT scores may be listed on the transcript, but most institutions require the student/parent to request them directly from College Board at www.collegeboard.org or www.actstudent.org. NCAA requires scores to be sent directly to them. Students are strongly encouraged to use the four (4) free score reports offered when taking these tests. A request to have your child's transcript sent to a college, university, military, or other educational institution is to be done through the HHS Guidance Department. Final high school transcripts are not automatically sent out at the end of a student's senior year. Students must submit a request. Please allow five (5) school days for your request to be completed.

REQUEST FOR RECORDS

Student records such as academic transcripts; standardized test scores, attendance and/or special education records can be requested by the student/parent from the Guidance Department. Health records should be requested from the Nurse's Office. Please allow five (5) school days for your request to be completed.

PARENT CONFERENCES

Parents may make appointments for conferences with the WHVC Coordinator, counselors or the principal by telephoning or emailing.

ACADEMIC INTEGRITY

Wayne Highlands School District takes pride in the honesty and integrity of grades accomplished by fair means. Cheating on homework, quizzes, tests, final exams, etc. is unacceptable. If a student is found to have cheated, a zero for that assessment will be calculated into the student's grade. Cheating may affect the acceptance into or the dismissal from National Honor Society. Repeated offenses will result in disciplinary action by the administration.

REPORT CARDS

The school year is divided into four grading periods of forty-five days each. At the end of each grading period, report cards are distributed to students in homerooms. This usually occurs within a week of the end of each grading period. The fourth and final grade report is distributed or mailed at the end of the school year.

GRADUATION / PROMOTION

Graduation is based upon the completion of a minimum number of approved planned courses for credit in grades 9-12. A student is eligible for promotion based on the following: 21 Credits to Graduate

4 Credits – to be a sophomore

15 Credits – to be a senior

9 Credits – to be a junior

21 Credits – to graduate

A student may be placed in a senior homeroom if he/she has scheduled the proper subjects to be eligible for graduation at the end of that current year. This can include not more than two credits needed in Summer School.

A student that is eligible to be in a senior homeroom and can complete the requirements for graduation by the end of Summer School is eligible to participate in the graduation ceremony at the end of that school year. In any case, students may participate in only one graduation ceremony.

GUIDELINES FOR STUDENT SCHEDULE CHANGES

- A. Any student planning a schedule change must discuss the change with a counselor and submit a parental permission note.

- B. No full year subjects or first semester classes may be added to a student's schedule after the first two (2) weeks of school. Second semester courses may not be added after the first two (2) weeks of the second semester.
- C. If a student drops a full year course any time after the first nine (9) weeks of school, he/she will receive an automatic "F" for the course and receive no credit for the course.
- D. IMPORTANT: Students should choose subjects carefully to ensure they have registered for required courses and maintain an academic path to graduation.
- E. Be aware of the NCAA Division I & II student athlete eligibility requirements. Any student athlete looking to participate in college sports at a Division I or II school must meet clearinghouse eligibility. The NCAA Eligibility requirements for Division I & II schools can be found at <http://www.ncaaeligibilitycenter.org>. NCAA can also be located as a link on the Wayne Highlands website: www.whsdk12.com.

RESPONSIBILITIES OF THE PARENTS REGARDING ASSIGNMENTS/HOMEWORK

While students assume the major responsibility for completing the assignments, parents should be encouraged to take an active part in homework by:

- 1. Asking about homework each day.
- 2. Providing a definite time and suitable place for study or home activities.
- 3. Making resource materials available.
- 4. Checking work for neatness.
- 5. Cutting down on TV, recreational computer time and cell phone usage.
- 6. Providing limited assistance.
- 7. Contacting the school if homework seldom or never seems to be brought home.

DANCES

- 1. All dances must be approved by the school administration.
- 2. Once a student leaves the school/building during a dance, he/she will not be allowed to return.
- 3. For the semi-formal and prom, administrators must preapprove guest attendance. No guests are permitted for all other dances.
- 4. All school rules apply, as dances are school-sponsored activities.

5. For the semi-formal dance and prom, students must be in attendance on the Friday before the event in order to attend Saturday evening.

JUNIOR/SENIOR PROM

The Junior/Senior Prom is a traditional school social event held in May. Only juniors and seniors of the WHSD and their escorts may attend the Prom.

PHYSICAL EDUCATION REQUIREMENTS

The Pennsylvania public school law requires each student to participate in a planned program of Physical Education. Following is the essential equipment and excuse policy.

Physical Education Class Requirements (Girls and Boys)

1. All students are required to participate.
2. An excuse from a doctor's office is required to medically excuse a student who is unable to participate in activity for two or more consecutive P.E. classes.
3. Students medically excused from activity in P.E. class will be expected to fulfill a modified P.E. requirement at the discretion of the instructor.

THE WASHINGTON IRVING CHAPTER OF THE NATIONAL HONOR SOCIETY

Honesdale High School and WHVC students are eligible for membership at the end of the first semester of their junior or senior year. They must have an overall B+ (3.333) average at that time.

All students (WHVC) who qualify academically must then be approved by the administration to become an inductee. An induction ceremony will then take place in the spring, during which eligible students will receive Honor Society status. A student must have attended HHS or WHVC for a minimum of one semester before consideration of membership. In addition, only the cumulative GPA at HHS or WHVC (3.333) will be used in consideration of membership.

To earn membership in the National Honor Society a student must be qualified in all of the following four (4) areas:

1. Scholarship – An honor student is to have a B+ (3.333) average at the end of each marking period. If a student's average falls below 3.333, he/she is placed on academic probation for one marking period. If his/her cumulative average is raised to 3.333 at the end of the marking period of academic probation, membership is maintained. Students can be placed in academic probationary

status for a maximum of two marking periods before academic dismissal will occur.

2. Leadership – An honor student is to exhibit the quality of leadership in school and in the community.
3. Character – An honor student is to demonstrate a reputable character in school and the community. Behavior that is unethical, dishonest or illegal will cause the Faculty Council to consider dismissal or other disciplinary action.
4. Service – To become a member an honor student must volunteer for two (2) hours of community service, either through the school or in the community. Upon induction to the National Honor Society, a student must volunteer an additional ten (10) hours of community service with a minimum of two (2) hours to be done in school and a minimum of two (2) hours to be done in the community.

Students must also meet eligibility requirements. Home-schooled students are not eligible for membership unless they enroll at Honesdale High School for a minimum of two quarters (one semester) and meet the cumulative GPA criteria of 3.333 during the junior or senior year before candidates are selected.

The Wayne Highlands Board of Administration declares it to be the policy of the WHSD to ensure that all district programs and practices are free from discrimination from students with disabilities. The Board recognizes its responsibility to provide academic and nonacademic services and programs equally to students with and without disabilities.

The 504 process is a potential avenue by which students with disabilities may successfully access both academic and nonacademic services to the fullest degree. To explore this possibility, parents or guardians may contact the school guidance counselor or Section 504 Coordinator to further investigate feasibility. Full Board Policy (Policy #103.1)) with regard to Section 504 can be accessed at the school building or District Office.

EXTRA-CURRICULAR ACTIVITIES

Students involved in extra-curricular activities (non-credit programs) must meet the same academic and citizenship eligibility as specified for sports.

ALL CLASS PLAY / MUSICAL

The WHSD Schools present a dramatic performance each year. Set design, sound effects, prompting, and lighting are handled by students. A student's interest, voice quality, stage movement, posture, and ability to portray a character are used to determine the cast. Students who show special aptitude are selected as stage managers, property managers, and make-up artists.

ATHLETICS

The objective of the athletic program is to develop individual coordination and teamwork by active participation. An appreciation of athletics as a part of life is developed through the school's sports program of interscholastic and intramural sports.

The Pennsylvania Interscholastic Athletic Association and the Honesdale High School govern eligibility for participation in interscholastic activities. Eligibility is based on two prerequisites – scholastic progress and school citizenship.

Students may only participate in one sport per sports season. Special cases which would allow student participation in a second sport during the same season without causing overlapping practice or game sessions may be presented to the athletic director and high school principal for possible approval on a case-by-case basis and an understanding that only one letter could be earned during a sports season.

Any student athlete who plans to participate in an intercollegiate athletic program at a Division I or Division II college or university **must** register with the **NCAA** Clearinghouse. Interested students should see a counselor for a registration form, which includes a fee payable to the NCAA. Registration with the Clearinghouse will enable the student to be recruited by college coaching staffs; to be considered for athletic scholarships; and to be eligible to participate in the sports program. These forms should be filed as early as possible in the senior year.

SCHOLASTIC PROGRESS

To be eligible for participation in any interscholastic school sport or extra-curricular activity, a student must pursue and maintain a passing grade in at least four full credit courses.

The pupil's status, whether passing or not, shall be confirmed at intervals of one week. Certification of eligibility shall be made on Friday for all athletic contests during the following week.

SCHOOL CITIZENSHIP

A student must also be certified weekly concerning school citizenship. If a student receives one negative response concerning school citizenship, the WHVC Coordinator will review his or her case and administrator involved, the athletic director and/or an assistant principal, and a decision rendered as to eligibility not later than noon of the following day.

A forms package is provided to each student athlete by the Athletic Director. It must be completed and returned prior to a student's participation. The only exception to the rule is for cheerleading for which a physical is not required.
2. A co-payment school insurance policy is provided to all student athletes and cheerleaders during their season. All claims must be filed through the school nurse. If your child requires medical attention please have them obtain the **Medical Claim Form** from the school nurse, or contact the nurse at the school your child attends.
3. Practice and game attendance rules will be decided by the coach; however, students must be in school by 11:30 AM to practice or play in an athletic contest.
4. If a player wishes to leave a team, he/she should consult with the coach. A player who merely quits without notifying the coach and discussing the situation may make himself/herself ineligible for athletic awards in any sport.
5. All athletic equipment issued to you is your responsibility and must be given the best care. All equipment issued must be returned in a timely fashion. Lost or damaged equipment must be paid for or athletic awards will be held until payment is made and the student's name will be placed on the Financial Obligations list in the HHS office. You will also not be allowed to begin practice in another sport until this obligation has been fulfilled.
6. All athletes must travel to and from all athletic contests with the team unless permission is granted by a coach and principal to do otherwise. The coach may grant permission for an exception to this rule after consulting with the athlete's parents.
7. You are guests at away contests. Please be respectful during that time. Any misconduct on your part is a reflection on the good reputation of your school, your team, and your coach.
8. It is expected that athletes will dress in a manner representative of their school and community.

9. Officials are selected because of their training and experience. Respect their judgment and decisions.
10. Only seniors with early dismissal who do not return to school prior to practice may drive to the sports complex. They may not transport other students to practice. Violations will be handled under the section dealing with citizenship issues.
11. A student must realize that participation on a sports team may not be used as an excuse to neglect schoolwork, be late to school, or cause poor attendance.
12. All students must be passing four subjects that meet five days a week to be eligible to participate in athletics. If a student is not passing four classes at the end of a marking period, they are ineligible for fifteen days from the day the report cards are distributed. (Students may practice with the team but may not travel to away contests with the team.)
13. Citizenship referrals will be handled by the Athletic Director. Violations will carry penalties ranging from a warning, contest suspensions, or dismissal from the team. Citizenship issues include behavior in class, in the halls, and at all school events. Profanity and obscene language have no place in athletics. Athletes should realize that improper language accomplishes nothing.
14. Any athlete guilty of stealing or involved in malicious conduct will be suspended from the team for the sports' season and could be ineligible for a letter and/or post-season awards, while also facing disciplinary sanctions. Conduct which is embarrassing to the athlete, team, or school could result in suspension from the team, ineligibility for a letter and/or post-season awards.
15. Possession, use and/or distribution of tobacco products, alcohol, and/or other drugs by any student involved in interscholastic athletics is strictly prohibited. This includes any drug for which a prescription is required, unless the student is taking it under doctor's orders. If it is determined that a student has violated this policy during the time he/she is a member of an interscholastic athletic program, the following disciplinary actions will be administered:

I. INTRODUCTION AND PHILOSOPHY

The ultimate objective of the Wayne Highlands School District Disciplinary Code is to bring about responsible student behavior by carefully defining unacceptable acts and by prescribing their consequences. In establishing and administering this code of conduct, the Wayne Highlands School District believes that the students will learn self-control. There will be an orderly instructional climate, and the safety and welfare of the students and employees will be better guaranteed. In addition, the School District believes that students will ultimately become responsible, law abiding citizens.

In dealing with disciplinary matters, the School District believes it must be consistent in administration of punishments. However, it is impossible to administer any code that prescribes a rigid system of mandatory disciplinary responses for each specific offense. Such a system would ignore the specific circumstances surrounding some instances of misconduct. On the other hand, it is equally impossible to administer a discipline system on a case-by-case basis. This method would produce inequitable decisions and confuse students. In order to deal with this dilemma, the School District has fixed responses to more serious or repeated types of misconduct and uses several alternative punishments for lesser offenses.

IV. HEARINGS

The Wayne Highlands School District recognizes that education is a fundamental right and that students must be afforded all appropriate elements of due process if they are to be excluded from school. In a case involving an exclusion from school in excess of ten (10) days, the student is entitled to a formal hearing which is a fundamental element of due process. In cases involving exclusion from classes, or exclusion from school for ten (10) days or less, students are entitled to an Informal Hearing.

A. Formal Hearing

A formal hearing is required in all cases of exclusion from school exceeding ten (10) days. This hearing may be held before the Board of School Directors or a duly authorized committee of the board, or a qualified hearing examiner appointed by the board. A majority vote of the entire School Board is required to expel a student.

1. The following due process requirements are to be observed with regard to the formal hearing:
 - a. Notification of the charges shall be sent to the student's parents or guardian by certified mail.
 - b. Sufficient notice of the time and place of hearing must be given.
 - c. The hearing shall be held in private unless the student or his/her parents or guardian request a public hearing.
 - d. The right of the student to be represented by counsel.
 - e. The right of the student to be presented with the names of witnesses against the student and copies of the statements and affidavits of those witnesses.
 - f. The right of the student to request that any such witnesses appear in person and answer questions or be cross-examined.
 - g. The right of the student to testify and present witnesses on his/her own behalf.
 - h. A record must be kept of the hearing, either by a stenographer or by a tape recorder. The student is entitled, at the student's expense, to a copy of the transcript.

2. The district has developed guidelines in order to ensure proper hearing procedures are used. These guidelines are in the form of a comprehensive transcript of procedures to be followed and statements to be made.

3. Where the student disagrees with the results of the hearing, recourse is available in the appropriate court. If it is alleged that a constitutional issue is involved, the student may file a claim for relief in the appropriate federal court.

 - a. Notification of the reasons for the exclusion shall be given, in writing, to the parents or guardian and to the student.
 - b. Sufficient notice of the time and place of the informal hearing must be given.
 - c. The right of the student to question any witnesses present at the hearing.
 - d. The right of the student to speak and produce witnesses on his/her own behalf.

V. CONTROLLED SUBSTANCES/PARAPHERNALIA

Preface

This policy, including the rules, regulations and guidelines, is a concerted effort by the Wayne Highlands School District to openly and effectively respond to the current uses and abuses of drugs, alcohol, and mood-altering substances by the members of our student population.

Statement of Policy

Students are prohibited from using, possessing, distributing, or being under the influence of any controlled substances during school hours, at any time while on school property, at any school sponsored activity, and during the time spent traveling to and from school and school-sponsored activities.

Definition of Terms

Controlled substances include all: controlled substances prohibited by federal and state law, look alike drugs, any substance purported to be a controlled substance (misrepresentation), alcoholic beverages, anabolic steroids, human growth hormone, drug paraphernalia, any volatile solvent or inhalants (such as, but not limited to glue and aerosol products), prescription or patent drugs, except those for which permission for use in school has been granted pursuant to board policy. Prescription drugs must be registered with the school nurse, annotated within the student's health record and given in accordance with the district's policy for the administration of medication to students in school.

Distribution – deliver, sell, pass, share, or give any controlled substance from one person to another or to aid therein.

Possession – possess or hold, without any attempt to distribute any controlled substance.

Under the influence – any consumption or ingestion of controlled substances by a student.

Cooperative Behavior – the willingness of a student to work with school personnel in a reasonable and helpful manner.

Uncooperative Behavior – resistance or refusal, either verbal, physical, or passive, on the part of the student to comply with the reasonable request or recommendations of school personnel.

Uncooperative behavior shall also include the refusal to comply with the recommendations of a licensed drug and alcohol professional.

Drug Paraphernalia – includes any utensil or item, which in the school's judgment, can be associated with the use of a controlled substance. Examples include, but are not limited to: roach clips, pipes and bowls.

Look-alike Substance – a non-controlled substance whose physical appearance is substantially identical to any controlled substance, taking into account size, shape, color, markings or lack thereof.

School Guidelines

An integral part of the Wayne Highlands School District Drug and Alcohol Prevention Program, these guidelines represent one component in a district-wide effort to respond effectively to drug, mood-altering substances, and alcohol related situations that may occur at school or at school sponsored activities. These guidelines are intended to provide a consistent, minimum disciplinary means to respond to controlled substance related events. The Wayne Highlands School District will provide a safe and healthy

environment for students with due consideration for their legal rights and responsibilities. The Board reserves the right to use any extraordinary measures deemed necessary to control substance abuse, even if the same is not provided for specifically in any rule or regulation enumerated herein.

Penalty – Alcohol and Other Drugs Policy

If it is verified by the principal that a student has violated this policy in regard to using, possessing, distributing, or being under the influence of a controlled substance, the following steps shall be taken:

1. The parents or guardian shall be notified immediately.
2. The local or state police will be notified.
3. The school's Student Assistance Team and the WHSD Crisis Intervention Counselor will be notified.
4. The student shall be excluded from classes for the remainder of the school day or until such time as he/she can be taken home by a parent/guardian. The student shall be excluded from school for ten (10) days. The student and parent/guardian shall be offered an informal hearing within the first five (5) days of the exclusion. The principal shall recommend an additional thirty-five (35) day exclusion from school for a violation involving alcohol (forty-five (45) day total exclusion), and an additional 170-day exclusion from school for a violation involving any other controlled substance (180-day total exclusion).

The student and parent/guardian will be offered a formal hearing.

In the event that the student is uncooperative, the principal may recommend to the Board that the student be excluded from school for additional days.

For a second or subsequent offense, or exhibition of uncooperative behavior, the principal may recommend to the Board that the student be permanently expelled from the district.

VI. BUS REGULATIONS

In order to insure the safety of all students riding on district buses, the following rules have been initiated:

1. The student shall at all times sit in the seat assigned by the school bus driver and shall not leave that seat while the bus is in motion.
2. The student shall not at any time use foul or offensive language or interfere with the rights of other students.

3. The student shall promptly observe reasonable and logical instructions given by the school bus driver.
4. The student shall wait for the school bus to come to a full stop before boarding the bus and shall then immediately proceed to his/her assigned seat.
5. AT DISMISSAL TIME, THE STUDENTS SHALL WAIT ON THE WALKWAYS BEHIND THE CURB FOR THEIR ASSIGNED BUSES. THE BUS DRIVER WILL NOT OPEN THE DOORS TO PERMIT STUDENTS TO BOARD THE BUSES UNLESS THEY ARE IN SINGLE FILE.
6. The student shall not project any part of his/her body out of the school bus window nor throw any objects from a school bus. Throwing of any object within the school bus is prohibited. Spitting is also prohibited on or from the bus.
7. The student shall not at any time place books, bookcases, musical instruments, or other obstructions in the school bus aisle.
8. The students shall not interfere with, or tamper with any mechanical equipment of the school bus.
9. The student shall at all times observe accepted standards of health and cleanliness, and shall assist the school bus driver in keeping the bus neat and orderly.
10. Use or possession of tobacco products or alcoholic beverages or controlled substances will NOT BE PERMITTED.
11. Students shall board and exit buses at assigned stops only.
12. Students visitor requests must be pre-approved verbally by the bus driver or contractor 24-48 hours in advance. If the driver says he or she has room, a parental permission slip must be presented directly to the driver on the day requested by any student in grades 5-12. Students in grades K-4 should follow the same procedure except they must have permission slips signed by the school office prior to presenting it to the bus driver. It should be noted that the bus driver has the final say regarding available room on the bus.
13. Only students who have a properly completed late pass will be allowed to ride the late bus.

When one or more of the above regulations have been violated, the following procedure shall be followed:

1. The bus driver will file a misconduct report with the building principal of the school the student attends. The building principal will, on the first reported offense, mail a copy of the bus conduct report to the student's parents or

guardian. The exception to this rule is the possession or use of controlled substances, smoking, or alcoholic beverages on the bus, which shall result in immediate suspension from the bus.

2. If the bus driver files a second misconduct report, the building principal will take appropriate corrective action, which may result in taking away the student's privilege of riding the school bus for up to three (3) school days. The building principal will notify the parent or guardian of his/her decision by phone followed by a letter to the student's parent or guardian, with a copy of the bus conduct report attached. A copy of this letter is to be sent to the supervisor of transportation.
3. If a student is suspended from riding a bus a second time, the student and his/her parent or guardian will be required to meet with the principal and bus driver before his/her privilege of riding the bus will be restored.
4. If a third suspension is invoked, the student may lose bus privileges for the remainder of the school year.
5. During any suspension from bus riding privileges, it will be the parent's/guardian's responsibility to transport the student to and from school.
6. The cost to repair vandalism shall be paid to the bus owner by the responsible student or the student's parents or guardian. Failure to reimburse the owner or make suitable arrangements with the owner within thirty (30) days may result in the loss of riding privileges until settlement is made.

VII. FIGHTING

Fighting on school property is not permitted at any time. This includes the time when students leave home in the morning until the time it normally takes them to return home after school each day. In addition, fighting is prohibited during any school-sponsored activity. Disciplinary action shall be at the discretion of the appropriate administrator.

VIII. ATTENDANCE POLICY

Absence – After an absence, a student must present an excuse to his/her homeroom teacher signed by a parent or guardian within three (3) days following his/her return. Absences will then be marked as “excused” or “unexcused”. Students who are truant shall be disciplined according to guidelines established in each school. A student, who is illegally absent more than three (3) days in a particular school year, shall receive a warning issued by the school district. This warning shall inform the parent or guardian

that on the next and subsequent absences, the school district may file a petition with the District Magistrate in order to ensure that the student complies with attendance regulations.

Excessive Absence – Regular school attendance is of the utmost importance regarding satisfactory promotion and course completion or award of credit. Successful completion of tests does not totally indicate that a student has mastered a particular grade or course. Excessive absenteeism extremely inhibits students from gaining information covered in class lectures and discussions and, consequently, may prevent students from being promoted or from receiving credit for particular courses. Respective schools within the Wayne Highlands School District shall develop appropriate procedures for dealing with students who are excessively absent. At a minimum, the procedures shall result in school/parent conferences.

IX. VANDALISM OF SCHOOL PROPERTY

Students, who vandalized school property, school buildings, equipment, grounds, or buses, shall be required to repair or make restitution for damaged property. In addition, students may be excluded from classes or school and may also be reported to the local police for prosecution.

X. TOBACCO USE POLICY

PURPOSE – Wayne Highlands School District recognizes that use of tobacco by students presents a health and safety hazard that can have serious consequences for both users and nonusers and the safety and environment of the school.

DEFINITION – For purpose of this policy, tobacco shall be defined as use and/or possession of a lighted or unlighted cigarette, cigar and pipe; other lighted smoking product; and smokeless tobacco in any form.

AUTHORITY – The Board prohibits tobacco use and possession by students at any time in a school building and on any property, buses, vans, and vehicles that are owned, leased or controlled by the school district.

The Board prohibits tobacco use and possession by students at school sponsored activities that are held off school property.

The school district may initiate prosecution of a student who possesses or uses tobacco in violation of this policy.

GUIDELINES – Incidents of possession, use and sale of tobacco in violation of this policy by any person on school property shall be reported to the Office of Safe Schools on the required form at least once a year.

Tobacco promotional items, including clothing, bags, lighters, and other personal articles, are not permitted on school grounds, in school vehicles, or at school-sponsored events. Tobacco advertising is prohibited in all school-sponsored publications and at all school-sponsored events. A student convicted of possessing or using tobacco in violation of this policy may be fined up to \$50 plus court costs and/or suspended for one (1) to three (3) days. In lieu of a fine and suspension, the student may be referred to a tobacco cessation program, at the student's expense. Repeat offenses will result in fines and/or suspensions of up to ten (10) days.

XI. LOCKER SEARCHES

School searches by administrators are allowed by law (People vs. Jackson – New York). A New Jersey Court said, "Privacy rights of public school students must give way to the overriding governmental interest in investigating reasonable suspicions".

Administrators of the Wayne Highlands School District may, in the course of their normal duties, conduct a search of student lockers if there is reasonable suspicion for the search. It is recommended that a witness be present during the search as well as the student whose locker is being searched; however, it is recognized that this is not always possible.

Students will not be allowed to use backpacks or book bags during school. These items may be used to transport materials to and from school, but may not be used during the day.

When students enter upon school property, they should not have any reasonable expectation of privacy for their lockers, book bags, or other personal belongings. In the interest of safety of all students, these items may be searched if there is reasonable suspicion.

XII. WEAPONS

The Board recognizes the importance of a safe school environment relative to the educational process. Possession of weapons in the school setting is a threat to the safety of students and staff and is prohibited by law. The Board prohibits students from possessing and bringing weapons and replicas of weapons into any school district buildings, on to school property, to any school sponsored activity, and on to any public vehicle providing transportation to school or a school sponsored activity.

DEFINITION – Weapon – The term shall include but not limited to any knife, cutting instrument, cutting tool, nunchaku, firearm, shotgun, rifle, replica of a weapon, and/or any other tool, instrument or implement capable of inflicting serious bodily injury.

A student is in possession of a weapon when the weapon is found on the person of a student, in the student's locker, under the student's control while on school property, on property being used by the school, at any school function or activity, at any school event held away from the school, or while the student is coming to or from school.

PENALTY – The school district shall expel for a period of not less than one (1) year, any student who violates this weapons policy. Such expulsion shall be given in conformance with formal due process proceedings required by law.

XIII. VISITORS

The Board welcomes and encourages visits to school by parents or guardians or by other taxpayers of the community or interested educators. To insure order in the schools, it is necessary for the Board to establish guidelines governing such school visitations.

The School Code provides that the sole responsibility to make regular visits to the various schools of the district and to report to the Board concerning such visits is vested by the District Superintendent. Therefore, the District Superintendent has the authority and responsibility to implement these guidelines.

The District Superintendent or Building Principal shall have the authority to prohibit entry of any person to a school of this district unless or until the following procedures have been complied with:

1. If the visitation is for a parent or teacher-initiated parent conference the parent or guardian's child, it must be scheduled in advance with the teacher. Upon arrival at school, a person visiting school for this purpose shall register at the office of the principal prior to proceeding to the conference site.
2. If the visitation is for any other purpose, arrangements must be made in advance through the office of the building principal.
3. All visitors must register at the office of the building principal upon arrival.
4. No visitor may confer with a student in the school, other than a student of whom he/she is the parent or guardian, without prior permission of the building principal.
5. No visitor shall be allowed to photograph or videotape any person or any part of any building or to tape record any conversation of any kind without prior approval by the building principal and the district superintendent.

XIV. CLASSROOM VISITATION

Visitation of classrooms by persons other than school employees while a class is in progress invariably leads to disruption of the learning process. Accordingly, such visitations are not encouraged. Such visitations may be specifically approved subject to the preceding and to the following additional guidelines:

1. When the classroom teacher of a student requests that a parent or guardian be allowed to observe a class for a specified period and approval is obtained from the building principal: or
2. When a specified period of observation by the parent or a recognized professional on behalf of the parent or guardian is approved by the Director of Special Education and District Superintendent as a necessary part of the evaluation or re-evaluation of an exceptional or thought to be exceptional student.

XV. UNLAWFUL HARASSMENT

The Board strives to provide a safe, positive learning climate for students in the schools. Therefore, it shall be the policy of the district to maintain an educational environment in which harassment in any form is not tolerated.

The Board prohibits all forms of unlawful harassment of students by all district students and staff members, contracted individuals and vendors, and volunteers in the schools.

The Board encourages students who have been harassed to promptly report such incidents to the designated employees.

The Board directs that complaints of harassment be investigated promptly, and corrective action be taken when allegations are verified. Confidentiality of all parties shall be maintained, consistent with the district legal and investigative obligations. No reprisals or retaliation shall occur as a result of good faith charges of harassment.

Harassment of a student consists of verbal, written, graphic, or physical conduct relating to an individual's race, color, national origin/ethnicity, gender, disability, sexual orientation, or religion when such conduct:

1. Is sufficiently severe, persistent or pervasive that it affects an individual's ability to participate in or benefit from an educational program or activity or creates an intimidating, threatening, or abusive educational environment.
2. Has the purpose or effect of substantially or unreasonably interfering with an individual's academic performance.
3. Otherwise adversely affects an individual's learning opportunities.

Sexual Harassment of a student shall consist of unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal, written, graphic, or physical conduct of a sexual nature when:

1. Submission to such conduct is made explicitly or implicitly a term or condition of a student's academic status.
2. Submission to or rejection of such conduct is used as the basis for academic or work decisions affecting the individual.
3. Such conduct deprives a student of educational aid, benefits, services, or treatment.
4. Such conduct is sufficiently severe, persistent or pervasive that it has the purpose or effect of substantially interfering with the student's school performance or creating an intimidating, hostile or offensive educational environment.

Examples of conduct that may constitute sexual harassment include but are not limited to sexual flirtations, advances, touching or propositions; verbal abuse of a sexual nature; graphic or suggestive comments about an individual's dress or body; sexually degrading words to describe an individual; jokes, pin-ups, calendars, objects, graffiti, vulgar statements, abusive language, innuendoes, reference to sexual activities, overt sexual conduct; or any conduct that has the effect of unreasonable interfering with a student's ability to work or learn or creates an intimidating, hostile or offensive learning or working environment.

The district shall annually inform students, staff, parents/guardians, independent contractors, and volunteers that unlawful harassment of students will not be tolerated.

Each staff member shall be responsible to maintain an educational environment free from all forms of unlawful harassment.

Each student shall be responsible to respect the rights of their fellow students and to ensure an atmosphere free from all forms of unlawful harassment.

COMPLAINT PROCEDURE – In all instances, the student is expected and encouraged to make an effort to inform the harasser that the behavior is unwelcome. He/she may do so either personally or through a third party such as a teacher, school nurse, guidance counselor, or building principal.

Upon complaint the proper administrator shall distribute the W.H.S.D. Complaint Form Procedure. Failure to do so, however, does not suggest that the behavior is welcome. Should the unwelcome behavior persist, the appropriate course of action shall be taken. Should the complaint involve a district employee, course of action shall follow district policy.

CONFIDENTIALITY – The substance of the complaint and the names of the complainant and the harasser will be disclosed only to the extent necessary to conduct an adequate investigation. REPRISAL – The school district will discipline any individual who retaliates against any person who reports alleged sexual harassment or who retaliates against any person who testifies, assists, or participates in an investigation, proceeding or hearing relating to a sexual harassment complaint.

Retaliation includes but is not limited to, any form of intimidation, reprisal, or harassment.

XVI. BULLYING

Purpose

The Wayne Highlands School District recognizes that bullying of students has a negative effect on the educational environment of its schools. Students who are bullied, intimidated or fearful of other students may not be able to take full advantage of the educational opportunities offered by the school district. Bullying can also escalate into more serious violence. Therefore, the school district strives to offer all students an educational environment free from bullying.

Definitions

Bullying means an intentional electronic, written, verbal or physical act or series of acts directed at another student or students, which occurs in a school setting and/or outside a school setting that is severe, persistent or pervasive and has the effect of doing any of the following:

1. Substantial interference with a student's education.
2. Creation of a threatening environment.
3. Substantial disruption of the orderly operation of the school.

Bullying, as defined in this policy, includes cyber bullying and shall not be interpreted to infringe upon a student's right to engage in legally protected speech or conduct.

Examples of bullying include:

1. Physically harming a student.

2. Damaging, extorting or taken a student's personal property.
3. Placing a student in reasonable fear of physical harm.
4. Placing a student in reasonable fear of damage to or loss of personal property.

School setting means in the school, on school grounds, in school vehicles, at a designate bus stop or at any activity sponsored, supervised or sanctioned by the school.

Authority

The Board prohibits all forms of bullying by district students. The school district will not tolerate known acts of bullying occurring on school district property, at school-sponsored activities scheduled on or off school grounds, during the time students necessarily spend traveling to and from school or school-sponsored activities, or at a designated bus stop.

Delegation of Responsibility

Each student shall be responsible to respect the right of others and to ensure an atmosphere free from bullying.

The Superintendent or designee shall develop administrative regulations to implement this policy.

The Superintendent or designee shall ensure that this policy and administrative regulations are reviewed annually with students.

The Superintendent or designee, in cooperation with other appropriate administrators, shall review this policy every three (3) years and recommend necessary revisions to the Board.

District administration shall annually provide the following information with the Safe School Report:

1. Board's Bullying Policy.
2. Report of bullying incidents.
3. Information on the development and implementation of any bullying prevention, intervention or education programs.

Intervention

Teachers who observe acts of bullying shall take reasonable steps to intervene to stop such conduct, unless intervention would threaten a teacher's personal safety. The nature of the intervention will vary depending upon the age of the student (both the victim and aggressor), the severity of the bullying and the student's involvement in prior acts of bullying. The purpose of the intervention is to take prompt remedial steps to ensure observed acts of bullying cease and to teach students that bullying is not acceptable behavior.

Guidelines

Development of Educational Programs

The district may develop and implement bullying prevention and intervention programs. Such programs shall increase the awareness of the problems of bullying; provide district staff and students with appropriate training for effectively responding to, intervening in and reporting incidents of bullying.

Student, Parent/Guardian and Employee Reporting

The school district strongly encourages all students and parents/guardians who become aware of any act of bullying to immediately report that conduct. Students may report acts of bullying to their teachers, building principal or other school employees supervising school-sponsored activities. Parents/Guardians may contact the building principal to report acts of bullying.

If teachers cannot reasonably remediate acts of bullying through their own intervention, they should report the bullying to the building principal. Other school employees who observe acts of bullying shall report that conduct to the building principal.

Investigation Procedures

Each building principal or designee is authorized to investigate reports of bullying brought to their attention by students, parents/guardians or school employees. Any investigation of a report may include meetings with students, parents/guardians or

employees; a review of student records and other reasonable efforts to better understand the facts surrounding a reported incident.

Consequences/Discipline

Consequences for students who are found to have bullied others may include counseling, a parent/guardian conference, detention, suspension, expulsion, a loss of school privileges and/or exclusion from school-sponsored activities.

Depending upon the severity of a particular situation, the building principal may also take appropriate steps to ensure student safety. Such steps may include the implementation of a safety plan; separating and supervising the students involved; providing employee support for students as needed; reporting incidents to law enforcement, if appropriate; and developing a supervision plan with parents/guardians.

Dissemination and Training

This policy shall be:

1. Included in the Disciplinary Code and student handbook, which shall be disseminated annually to students.
2. Accessible in every classroom.
3. Conspicuously posted on the district's website and in a prominent location within each school building where notices are usually posted.
4. Discussed as part of the orientation of each new teacher and periodically in staff development workshops.

Confidentiality

The Wayne Highlands School District recognizes that both the complaining student and the alleged bully/extorter have strong interest in maintaining the confidentiality of the allegations and related information. The privacy of the complaining student, the individual(s) against whom the complaint is filed, and the witnesses will be respected as much as possible, consistent with legal obligations to investigate, to take appropriate action, and to comply with Family Education Privacy Rights Act (FERPA) and any discovery or disclosure obligations. As limited by FERPA protections, the principal or

designee may inform the complaining student/parents/guardians of the outcome of the investigation.

Reprisal

Any student who retaliates against another student for reporting bullying or extortion, or for assisting or testifying in the investigation or hearing may be subject to disciplinary action.

Interplay With Other School District Policies

Nothing in this policy shall prevent school employees from enforcing, imposing discipline or fulfilling their professional responsibilities under other school district policies or student disciplinary rules.

This policy shall not be interpreted as preventing a student or parent/guardians from filing a complaint under the school district's anti-harassment policy.

XVII. HAZING

Purpose

The purpose of this policy is to maintain a safe, positive environment for students and staff that is free from hazing. Hazing activities of any type are inconsistent with the educational goals of the district and are prohibited at all times.

Definitions

For purposes of this policy **hazing** is defined as any action or situation which recklessly or intentionally endangers the mental or physical health or safety of a person or which willfully destroys or removes public or private property for the purpose of initiation or admission into or affiliation with, or as a condition of continued membership in, any organization. The term shall include, but not be limited to:

6. Any willful destruction or removal of public or private property.

For purposes of this policy, any activity, as described above, upon which the initiation or admission into or affiliation with or continued membership in an organization is directly or indirectly conditioned shall be presumed to be "forced" activity, the willingness of an individual to participate in such activity notwithstanding.

For purposes of this policy, **student activity or organization** is defined as any organization, team, club, society, or group operating under the sanction of or recognized as an organization by the district.

Authority

The Board prohibits hazing in connection with any student activity or organization regardless of whether the conduct occurs on or off school property or outside of school hours.

No student, parent/guardian, coach, sponsor, volunteer or district employee shall engage in, condone or ignore any form of hazing.

The Board encourages students who have been subjected to hazing to promptly report such incidents to the building principal.

Delegation of Responsibility

Students, parents/guardians, coaches, sponsors, volunteers, and district employees shall be alert to incidents of hazing and shall report such conduct to the building principal.

District administrators shall investigate promptly all complaints of hazing and administer appropriate discipline to any individual or student activity or organization found to be in violation of this policy.

Guidelines

In addition to posting this policy on the district's website, the district shall annually inform students, parent/guardians, sponsors, volunteers and district employees that hazing is prohibited, by one (1) or all of the following means:

1. Distribution of written policy.
2. Presentation at an assembly.
3. Verbal instructions by the coach or sponsor at the start of the season or program.
4. Posting of notice/signs.

This policy, along with other applicable district policies, procedures and Codes of Conduct, shall be provided to all school athletic coaches and all sponsors and volunteers affiliated with a student activity or organization annually, prior to coaching an athletic activity or serving as a responsible adult supervising, advising, assisting or otherwise participating in a student activity or organization.

Complaint Procedure

When a student believes that s/he has been subject to hazing, the student shall promptly report the incident, orally or in writing, to the building principal.

The principal shall conduct a timely, impartial, thorough, and comprehensive investigation of the alleged hazing.

The principal shall prepare a written report summarizing the investigation and recommending disposition of the complaint.

The district shall document the corrective action taken.

Consequences for Violations

If the investigation results in a substantiated finding of hazing, the principal shall recommend appropriate disciplinary action up to and including expulsion, as circumstances warrant, in accordance with the Code of Student Conduct. Additionally, the student may be subject to disciplinary action by the coach or sponsor, up to and including removal from the activity.

If the investigation results in a substantiated finding that a coach, sponsor, or volunteer affiliated with the student activity or organization engaged in, condoned or ignored any violation of this policy, s/he shall be disciplined in accordance with Board policy and applicable laws and regulations. Discipline could include, but is not limited to, dismissal from the position as coach, sponsor, or volunteer, and/or dismissal from district employment.

If a student activity or organization authorizes hazing in blatant disregard of this policy or other applicable district rules, penalties may also include rescission of permission for that organization to operate on school property or to otherwise operate under the sanction or recognition of the district.

Any person who causes or participates in hazing may also be subject to criminal prosecution.

It is incumbent upon the School Assessment Coordinator to ensure that all calculator policies are implemented and followed, including making sure calculators have no programs stored in their memory other than those that are factory installed. Please note that if a student wants to restore the deleted programs, the student will need to back up these programs prior to the assessment. In addition, the memory must be cleared on the calculator following each test session of the assessment.

The following are **not** permitted for the PSSA or Keystone Exams:

- Non-calculators such as cell phones, smart phones, PDAs, laptops, tablets, pocket organizers, etc.

- Calculators that make noise, have paper tape, need to be plugged in, or talk; these specific calculators can only be used as a required accommodation as stated in the *Accommodations Guidelines*.
- Calculators shared by students during a test session
- Any and all non-factory programs or information stored in the calculator

This calculator policy is intended to be a general description of what is not allowed. It is not meant to be an exhaustive list of specific calculators, devices, or technologies that cannot be used on the PSSA or Keystone Exams. Please note that as technology changes, this policy may also change.

INTEGRATED PEST MANAGEMENT

Dear Parent(s) or Guardian(s):

The Wayne Highlands School District uses an Integrated Pest Management (IPM) approach for managing insects, rodents and weeds. Our goal is to protect every student from pesticide exposure by using an IPM approach to

pest management. Our IPM approach focuses on making the school building and grounds an unfavorable habitat for these pests by removing food and water sources and eliminating their hiding and breeding places. We accomplish this through routine cleaning and maintenance. We routinely monitor the school building and grounds to detect any pests that are present. The pest monitoring team consists of our building maintenance, office and teaching staff, and includes our students. Pest sightings are reported to our IPM coordinator who evaluates the "pest problem" and determines the appropriate pest management techniques to address the problem. The techniques can include increased sanitation, modifying storage practices, sealing entry points, physically removing the pest, etc.

From time to time, it may be necessary to use chemicals to manage a pest problem. Chemicals will only be used when necessary, and will not be routinely applied. When chemicals are used, the school will try to use the least toxic product when possible. (Applications will be made only after normal school hours.) Notices will be posted in these areas 72 hours prior to application and for two days following the application.

Parents or guardians of students enrolled in the school may request prior notification of specific pesticide applications made at the school. To receive notification, you must be placed on the school notification registry. If you would like to be placed on the registry, please notify the District in writing. Please include your email address if you would like to be notified electronically. If a chemical application must be made to control an emergency pest problem (ex. stinging insects), notice will be provided by telephone to any parent or guardian who has requested such notification in writing. Exemptions to this notification include disinfectants and anti-microbial products; self-contained baits placed in areas not accessible to students; and gel type baits placed in cracks, crevices or voids; and swimming pool maintenance chemicals.

Each year the District will prepare a new notification registry.

If you have any questions, please contact Kevin Lowe, IPM Coordinator at 570-253-3460.

Sincerely,
Timothy Morgan
Wayne Highlands School District Superintendent
